Agency description: Music 4 Life, Inc. is a music therapy agency with 32-years of deep roots in the Las Vegas community serving multiple agency contracts throughout Southern Nevada in client homes, facilities, and telemedicine. M4L is changing the culture of music creation and music consumption, building resilience at the same time reducing anxiety and stress. We do this through the Music Medicine protocol, an innovative music therapy clinical approach, effective in music listening and active music-making interventions for telemedicine and in-person individual and group sessions. M4L is partnering with REMO, a hospital and university to publish research studies on the effectiveness of the Music Medicine protocol. All music therapists employed by M4L are certified Music Medicine Practitioners with drum circle facilitation and other music therapy approaches encouraged.
